If you cannot pick up your planners, it is **your responsibility** to plan **in advance** and have someone from your area pick them up. We **will not** be shipping to your agency. The planners this year are all new, much the same content with the addition of Vaping for Lesson #2.

If you are not included in this order, you will be responsible for the cost and shipping of your own planners and they are expensive. Please, check with your schools on the numbers for the coming year class rosters and return form.

Thank You *Terry Dehmlow*
